

South Central Kansas Regional Chapter of IAAO September 2019 Newsletter

New Chapter Business:

- 1) Changes to the Chapter by-laws are being made and members will be asked to vote via e-mail in the near future. The main change to the by-laws was to change the calendar year for the chapter. Historically, the election and dues payable were from July to June. They will now be from January to December. For members who have already paid, no dues will be necessary until after December 2020. Questions or copies of the amended by-laws can be directed to Anna Burson aburson@cowleycounty.org, Ronnie Tidwell Ronald.tidwell@sedgwick.gov or Trecia McDowell trecia.mcdowell@sedgwick.gov.
- 2) At least two classes are to be offered by the Chapter next year. They will be the 7-hour Uniform Standards of Professional Appraisal Practice (USPAP) update course (no exam) and IAAO 333 Residential Modeling Concepts. Barry Couch will be the instructor for both courses. The dates will be announced at a later date. If members have any other ideas for classes please send an email to Grant Grant.Schmidt@sedgwick.gov.
- 3) Next year's September annual IAAO conference will be held in Denver. Paid members will receive one ticket per chapter meeting they attend (see below for the dates) to enter in a drawing for a paid trip to the conference. The drawing will occur in June of 2020. Annual membership dues are \$20 and should be paid to Michelle Adkins - Michelle.Adkins@sedgwick.gov.
